CONTENT

This report provides for the collection and reporting of yearly statistical information by county welfare departments which administer the refugee program under the supervision of the California Department of Social Services. Information is to be collected on time-eligible refugees participating in the following programs: Aid to Families with Dependent Children (AFDC), Refugee Cash Assistance (RCA), General Assistance (GA) and Medi-Cal Only.

PURPOSE

The statistical information collected on this report is used by the Refugee and Immigration Programs Branch to meet federal requirements for data collection and to refine the estimates of refugee populations.

Additionally, this report provides legislators, administrators and other interested persons with information regarding the refugee programs.

DISTRIBUTION

Information in this report is compiled and distributed yearly to the Federal Department of Health and Human Services, state program managers, county welfare departments and other interested agencies and individuals.

REPORT PERIOD

The report date is June 30 of each year. The information should identify only the ending caseload (by persons -- not cases) for the month of June.

DUE DATE

The reports are to be received in Sacramento by the fifteenth calendar day of July following the June report month. Mail the report to:

Statistical Services Bureau

COLUMN DEFINITIONS

Country of Origin: The country of origin means the country of citizenship, not necessarily the country from which the refugee arrived. The countries listed in this column are those with the largest number of refugee arrivals in the United States in the recent past.

Cash Assistance: Self-explanatory. Under the Cash Assistance column, information is collected on refugees receiving three types of aid: AFDC, RCA and GA.

Medi-Cal Only: Number of persons eligible only for medical assistance.

LINE ITEM DEFINITIONS

These are self-explanatory, with the following clarifications:

Line Item 2: For the purposes of this report, the Laos nationality grouping will include Hmong.

Line Item 6: Other Eastern European countries will include all other Eastern European countries not listed on the report form. These will include Romania, Hungary, Bulgaria and Czechoslovakia.

Line Item 7: The entry under Cuba is not to include Cuban-Haitians.

Line Item 12: The "Other" line item is explained in the Column Instructions Section of these instructions.

COLUMN INSTRUCTIONS

Line Item 12: If a particular nationality is less than 5 percent of the total refugee welfare population, include those counts in Line Item 12.

Blank Line: Identify the country(ies) of origin not listed in Line Items 1 through 11 from which 5 percent or more of your county's refugee welfare recipients came.

Cash Assistance: Enter for each country listed the number of time-eligible refugees (persons, not cases) within your caseload who are receiving public assistance under the AFDC, RCA or GA programs for whom ORR reimbursement is being claimed. U.S. born babies within a refugee filing unit should be included in all categories.

Medi-Cal Only: Enter for each country listed the number of persons eligible only for Medi-Cal Assistance. Do not include those persons receiving a combination of Cash Assistance and Medi-Cal since these persons should be counted under the Cash Assistance column only.
